If you don't see an opportunity that fits your brand or investment appetite, let's find something that works.

Outboarding and Suitcasing hurts the show!

Outboarding is when sponsors or exhibitors plan off site meetings /networking events during show hours.

Suitcasing is when an organization that does not participate at the show but follows as a shadow population to book meetings with delegates during show hours.

We have heard from both delegates as well as exhibitors and sponsors that they are losing out on the show experience due to these practices. Working together, we can ensure delegates can be part of our thought leadership program and we can find space within the convention center for meetings and other engagement opportunities.

Please help us be part of the solution. Thank you in advance for your consideration.

Sincerely,
The 2019 RIMS Canada Conference Committee
