GUEST SAFETY & SECURITY INFORMATION

CONVENTION CENTER SECURITY

The main Security office is located on the ground level, dock side, behind Exhibit Hall C. Security staff are on-duty 24 hours a day, 7 days a week, including a Public Safety Supervisor or Manager.

Some of our responsibilities include:

- Basic first aid, CPR/AED, fire extinguisher use and bleeding control
- Security and medical first response emergency services
- Access control to the front driveway and loading docks
- Interior & exterior building patrol
- 24-Hour Dispatch Center

INTELLIGENCE GATHERING

The security team works diligently to identify threats by coordinating with local, state and federal law enforcement partners, including:

- Harbor Police on-site satellite office, adjacent to Dock 51
- San Diego Police Criminal Intelligence Unit/Special Events Unit
- Local FBI Field Office, including review of social media threats
