

RISKWORLD 2025 Event Waiver and Release

RIMS Event Waiver and Release - The Risk and Insurance Management Society, Inc. (RIMS) has taken steps to help reduce the risk of the spread of COVID-19. However, COVID-19 is understood to be contagious and spread mainly by person-to-person contact. Therefore, attending any in-person event with others, including your attendance at RISKWORLD 2025 (“Event”), could increase your risk of contracting COVID-19. RIMS cannot guarantee that you will not contract COVID-19 or any other illness.

By registering for this Event, you agree to comply with any procedures put in place by RIMS, including, but not limited to, social distancing, always wearing a mask at the Event site, providing proof of vaccination, and not attending the Event if you are feeling unwell or are exhibiting signs or symptoms of illness.

You further acknowledge and agree to the following Release and Waiver of Liability:

You agree that you are fully aware of the risks associated with COVID-19 and voluntarily assume any risk of exposure to or infection by COVID-19 or any other communicable illness at the Event and that such exposure could result in personal injury, illness, hospitalization, or death. You understand that, despite any steps RIMS may have taken to limit risk, you may be exposed to COVID-19 or other communicable illnesses as a result of the actions, omissions, or negligence of others, including other Event attendees, RIMS staff, or Event vendor employees.

You knowingly and voluntarily assume such risks, known and unknown, relating to attendance at the Event and hereby forever release, waive, discharge, relinquish, hold harmless, and covenant not to sue RIMS or its officers, directors, managers, employees, agents, contractors, or other representatives, or their successors or assigns (collectively, “RIMS”), from any and all claims, losses, damages, liabilities, costs and expenses of any kind, whether known or unknown (“Damages”) arising out of or relating to your attendance at the Event, including, but not limited to those Damages related to the risks listed above of personal injury, illness, hospitalization, or death, or any other loss, and including but not limited to alleged claims of acts, omissions, or negligence of RIMS.
